

Clean Safe

Janitorial System® 2020 DCS Global

A Transparent, Collegial Approach to Cleaning

- Constrained budgets, inflation, labor shortages and supply-chain issues – ouch!
- DCS - ex-custodial cleaning contractors, with over 30 years' experience.
- We help deliver optimum value for your cleaning dollar, save you time and money.
- Custodial cleaning-specifications, inspections, KPIs, APPA standards, RFPs.
- Fair, transparent, & respectful, we always show our work.

Better Cleaning Grades For Your Facility?

- Students don't self-grade test results, why should your custodians?
- We know how to properly grade cleaning results.
- Our inspections keep cleaning quality consistently up to par.
- We are fair and transparent with our grades.
- We work with you to identify issues and optimize costs & quality.

Saving Money By Being S.M.A.R.T.

- Cleaning is a major budget item for your facility.
- Are you being Specific, Measurable, Achievable, Relevant and Timely?
- DCS fit-for-purpose cleaning specifications and KPIs are SMART.
- We find the sweet spot in cleaning performance.
- We save you time and money by supporting your RFP process.

We understand the ABCs of ESG

- Your stakeholders expect you to be proactive about ESG.
- We support duty-of-care and good governance with independent, objective advice.
- Show you care about student/faculty wellbeing with a clean and safe environment.
- DCS green cleaning audits demonstrate your commitment to the environment.

An Educated Approach to RFPs

- Lawyers and accountants don't teach physics.
- Why ask someone without a background in cleaning to write an RFP for your facility?
- Poor RFP documents, lead to higher costs and sub-optimal cleaning.
- Hire a subject-matter-expert on cleaning post-secondary institutions.
- Good governance will lower risk and save time & money.

“An investment in knowledge pays the best interest.” – Benjamin Franklin

- Clean learning spaces support a healthy learning environment.
- Save time, provide expertise, reduce risk, and optimize your cleaning program.
- Support your ESG performance, including health safety and well-being.
- Safeguard your reputation, your visual identity and brand.
- Improve governance, through independent oversight.
- Give you Peace of Mind.
